## 2. PRINCIPLES OF ENGAGEMENT

### HOW DID YOU ORGANIZE THE DIALOGUE SO THAT THE PRINCIPLES WERE INCORPORATED, REINFORCED AND ENHANCED?

The dialogue was organized by three(3) women led organizations whcih included Women In Agriculture for Sustainable Development, The foundation for Community Initiatives and the Women Ininatives for Sustainale Agriculture. The principle of engagement was well followed. Stakeholders were drawn from diverse works of life, they wer treated with respect the space was free for everyone to voice out thier issues, the dialogue complemented work that is being done currently bythe minirty of Agriculture. we bult trust with the partipants and staklersholder. we also treated the dialogue with urgency knowing the food insecurity would be dangerous to us all

### HOW DID YOUR DIALOGUE REFLECT SPECIFIC ASPECTS OF THE PRINCIPLES?

Our participants were selected from differnt areas. some educated and others not. we enecorge with farmers, policy makers, transporters ecto ensure that we got diverse views. we also create a free space for everyone to share their views by settingthe stage and declaring that in this hall thereis no wrong ans wre and people should be respected for their views.

### DO YOU HAVE ADVICE FOR OTHER DIALOGUE CONVENORS ABOUT APPRECIATING THE PRINCIPLES OF ENGAGEMENT?

People planning to have a dialogue to be prepare far ahead. If you have documents to print you so in advanced. Also it would be good that you follow up with your partcipants a day before the event.
