The outcomes from a Food Systems Summit Dialogue will be of use in developing the pathway to sustainable food systems within the locality in which they take place. They will be a valuable contribution to the national pathways and also of interest to the different workstreams preparing for the Summit: the Action Tracks, Scientific Groups and Champions as well as for other Dialogues.

## 2. PRINCIPLES OF ENGAGEMENT

---

### HOW DID YOU ORGANIZE THE DIALOGUE SO THAT THE PRINCIPLES WERE INCORPORATED, REINFORCED AND ENHANCED?

We included the link to the Principles in every communication that was sent regarding the Summit. It was also sent communication the day before the event with a note of encouragement to read the Principles prior to the event. Our host, Catherine Bertini, also reviewed the Principals at the beginning of the event. Our virtual event included breakout rooms, and pre-selected leaders were asked to reinforce the Principals in small group discussions.

### HOW DID YOUR DIALOGUE REFLECT SPECIFIC ASPECTS OF THE PRINCIPLES?

Our guests included representatives from many areas of College campuses and there was great respect for the complexity each campus has. We were inclusive of the local community, welcoming area food banks and government officials.

### DO YOU HAVE ADVICE FOR OTHER DIALOGUE CONVENORS ABOUT APPRECIATING THE PRINCIPLES OF ENGAGEMENT?

I would suggest providing relevant articles or reading materials to guests prior to the event.
