# 3. METHOD

---

The outcomes of a Dialogue are influenced by the method that is used.

**DID YOU USE THE SAME METHOD AS RECOMMENDED BY THE CONVENORS REFERENCE MANUAL?**

Yes

No

Please see our IAFSD Summary Report March 2022. We have been able to get attendance to a good series of 5 Independent Aotearoa Food System Dialogues. Over this time people have come and gone and those who remain after the near two years, are from a very diverse range of stakeholders who are still giving their time for free to each dialogue. Given the issues each Table has identified are so serious and we have a level of intimacy per Table now, it has been decided to drop the Chatham House Rules (see the Report). Another reason for this to provide ease of management for the Facilitators'. Their Feedback Forms are so 'on point' and we need to work at pace and to 'keep moving'. The work and outcomes coming out is incredible and real momentum is picking up.
