

ATTENDANCE REGISTER

This attendance register is for Convenors to complete immediately after a Dialogue and is aligned with the Official Feedback Form. The purpose of collecting this information is to provide Convenors the ability to demonstrate the diversity and inclusiveness of their Dialogue. When possible, Convenors should use information as defined and provided by Participants. Convenors are encouraged to complete this as accurately as possible based on their knowledge about Participants on the day to reflect the diversity of sectors and stakeholder groups engaged and limiting as much as possible the 'other' category.
